Interviewed by Elie for SINFUL Magazine
Photo: courtesy of MimeFreak/ArchAngel

SINFUL: Thank you for the interview, how did you get your start into the porn industry?

AJ: I was a dancer at a strip club first and then I started to dabble in nude and fetish modeling. Shortly after that, I found this nobody agent in NY who got me shoots in FL.

SINFUL: When and how did you lose your virginity?

AJ: I lost my virginity to my ex-boyfriend in high school. It was his first time also. We waited until after school, when his parents weren't at the house. I actually had a game to cheer at that day, and my dad came to his house to pick me up early. We just finished and I was throwing on all my clothes, because my dad was banging on the front door. Then, I went and cheered at a football game.

SINFUL: What were you like in high school?

AJ: I was a cheerleader and dancer. I was really outgoing and bubbly. I wasn't a slut in high school; I was more of a tease. I would always get in trouble for wearing shorts or skirts that were too short. A lot of guys started to notice me in high school and were always talking about my ass, so a lot of girls didn't like me. I had my good group of girlfriends, though.

A lot of guys started to notice me in high school and were always talking about my ass.

SINFUL: What were some of the jobs you done prior to porn?

AJ: I remember my first job ever. I was a bus girl and ended up hooking up with my boss, who owned the restaurant. Yea, I know, not good. After that, I went to college and started teaching dance for a while and then went on as a dancing pro (AKA professional cheerleader) for sports teams.

SINFUL: You have an incredible body, but I gotta say, that ass... WOW, have you always been blessed with it?

AJ: I literally have had a big ass since I was a baby. My family members would always pick on me and call me bubble butt. I work out a lot now to keep it nice and plump.

SINFUL: I read somewhere that you watched porn at an early age?

AJ: Yes, I did. I started watching porn at 10.

SINFUL: What's your favorite type of porn to watch and get off on?

AJ: When I first started watching porn, I always watched girl/girl. Now, I'm more into watching femdom porn. I also, really love watching massage porn. I really love Hegre-Art.com! Their massage porn is unbelievable!

SINFUL: You're about to shoot your first fuck scene, what was it like, the feelings, the nerves?

AJ: I wasn't nervous the whole day, until right before we were about to start the scene. Once the camera came on, I got totally lost in the moment and completely forgot that I was being filmed. It felt so natural to me. After the scene was over, the director was so impressed with me and he couldn't believe it was my first time. He told me he wouldn't be surprised if I developed a huge name in the next 2 years. He ended up hiring me multiple times after that scene.

SINFUL: Do you ever sit back and watch your own scenes?

AJ: In the beginning, I did that a lot. I'm a perfectionist, so I wanted to know where I could improve. Now, I have such an understanding of what really turns me on and what looks good that I don't watch my stuff anymore. The most I watch are my trailers.

“I would have never got to experience a gangbang, if I didn't do porn.”

SINFUL: Best thing about being a porn star?

AJ: I get to have these amazing sexual experiences with all these gorgeous people. I would have never got to experience a gangbang, if I didn't do porn. I mean I guess I could have, but it wouldn't be safe. It makes me feel so much better that I know I'm being safe. That allows me to let go more and push my limits.

SINFUL: Worst thing about being a porn star?

AJ: I think the worst thing would be how people are judging you 24/7, because you put all of yourself out there. I just try to not let anyone's opinions bother me.

SINFUL: I read that you love rough oral. I'm sure most of our readers would be excited over that, so tell us a little about that?

AJ: It's not that I love rough oral. I just love oral in general. I like deepthroating and making it as sloppy and messy as possible. It turns me on when my chest is covered in spit.

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?

AJ: I have pretty much done everything. I would like to do a cheerleader scenario, where I get gangbanged by a bunch of football players in a locker room. That was always my fantasy when I would walk the halls in high school and pass the locker room before practice.

SINFUL: Kinkiest place you've had sex outside of the film world?

AJ: I get asked this question a lot. I can't think of any place that I've

had sex that you can consider "kinky". I did however, have sex next to my parents while they were sleeping in the bed next to me and my ex. We all went on vacation together and had to share a room. I was lucky they even let me sleep in the same bed with him.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

AJ: I often have this fantasy of me bending over Channing Tatum and fucking him with my strap-on.

SINFUL: For any person reading this who hasn't seen you perform, what's one scene they gotta watch?

AJ: They need to go watch my Booty Queen showcase from ArchAngel. There are so many great moments in that movie that I could never recreate. I really put all my heart and soul into every scene in that movie.

SINFUL: What gets you wet?

AJ: When someone is a really good kisser.

SINFUL: What's your favorite sexual position and why?

AJ: I like doggy, because I can shake my ass on the cock, and that's

always fun for me. Plus, I can get the deepest penetration in that position, and you can pull my hair and choke me the best.

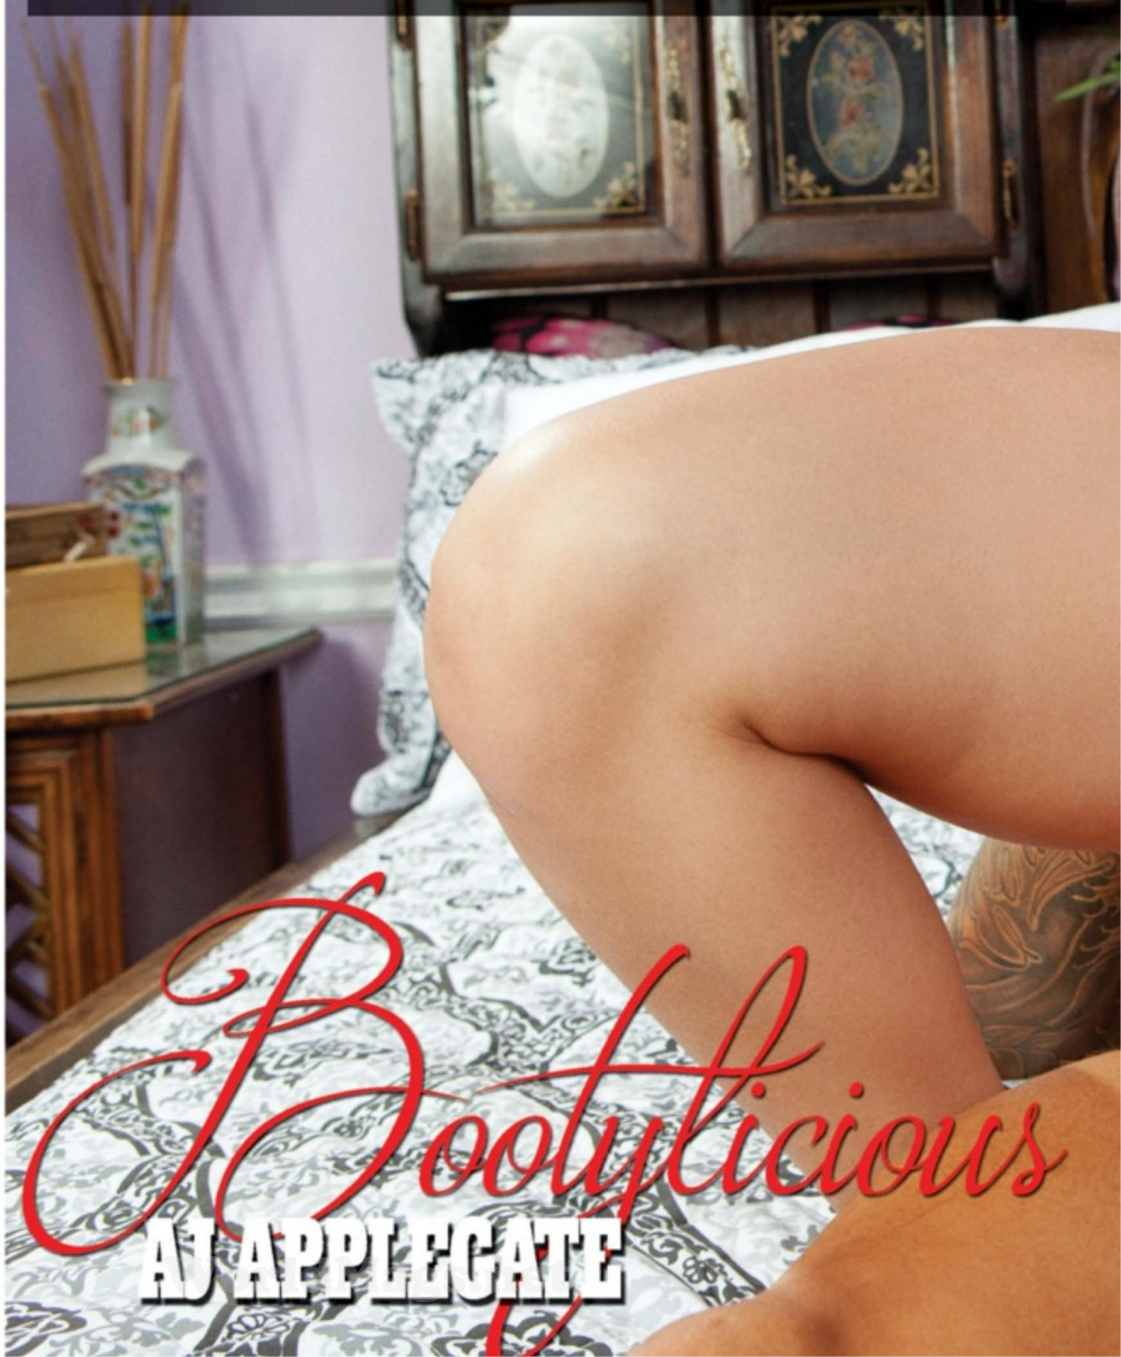

SINFUL: Three things fans don't know about you?

AJ:

1) I'm actually a really good swimmer. I was the top diver on my swim team when I was a kid. If I stuck with it, I probably could have gone pretty far.

2) I won all-American cheerleader my sophomore year of high school and was offered to cheer at the Pro Bowl.

3) I've never had braces.

SINFUL: A guy is about to cum, where do you want it to land?

AJ: In my mouth. I love to swallow.

SINFUL: What's the best chemistry you've had on screen, where the guy made you cum hard?

AJ: It was actually this foot fetish scene I did for Footsie Babes. It was with Bill Bailey, and he is now my boyfriend. That's how good the chemistry was. I will never forget that day.

SINFUL: What is the weirdest thing that ever happened to you on set?

AJ: One time, a male talent that I was working just up and left the set without telling anyone, so we couldn't do the scene. He said he felt sick afterwards, but he didn't even tell anyone he was leaving. It was really strange.

SINFUL: Have you ever said no to a movie?

AJ: I've never said no to a movie. But, I have however been asked to do farting fetish scenes, and I said hell no.

I really don't want to be doing scenes, unless it's something I enjoy or will turn me on. It's not all about the money for me.

SINFUL: What in store for you in future?

AJ: Right now I'm shooting a lot of scenes and feature dancing. I will be doing another showcase and it's going to be a squirting showcase for Evil Angel. I'm very excited about that. I'd really love to direct my own movie eventually, hopefully within the next year.

MILF Porn Continues to Top Charts Over 15+ Year Span

MILF porn movies are as popular as ever, as they continue to top charts since 1999, reports GameLink.com

"Whether it's the incredibly talented MILF performers, or the savvy marketing strategy of today's adult studios, 'Mother I'd Like to F*ck' movies are as popular as ever, if not more so," said Jeff Dillon, vice president of business development for eLine management company. "It's safe to say the adult industry will be celebrating Mothers' Day for more than one reason this year and next!"

So far this year, the top 5 selling MILF movies on GameLink are "It's a Mommy Thing #8," "It's a Family Thing," "Mommy Caught Me," "Neighborhood Moms Down to F*ck," and "Brazzers' Horny Housewives #4." Moreover, MILF ranks as No. 2 genre on GameLink, behind Teen movies, which remains the top genre among its customers. It is followed by Trans, All-Girl and Faux-cast genres.

The study shows a majority of men across all age categories enjoy porn featuring mature women, with the bulk coming from the 18-29 age bracket, making up an estimated 71 percent of all MILF movie viewers.

Among the most searched MILF performers on GameLink are Julia Ann, Lisa Ann, Kendra Lust, Veronica Avluv, Francesca Le, Kelly Madison, Tanya Tate, Brandi Love, and Nina Hartley.

GameLink.com also charted the growth of the MILF genre since 1998:

419% growth between 1998 and 2000 (likely due to "American Pie").
357% growth between 2007 and 2009 (Lisa Ann received international fame for parody of Sarah Palin).
12% decrease between 2010 and 2011 (reasons unknown).
83% growth between 2012 and 2016 (at least 30% growth every year since 2012).

Rising Popularity of Marvel Cinematic Universe and DC Comics Films Has Nevada Brothels Slammed with Superhero Sex Role Play Requests

The massive popularity of cinematic superhero franchises and mainstream media's infatuation with cosplay subculture has caused an enormous spike in demand for superhero sex role play at Dennis Hof's world famous Moonlite Bunny Ranch and at his other legal Nevada brothels.

Dennis Hof, who owns seven brothels throughout Nevada, estimates that in the last five years the number of sex parties with a Marvel or DC superhero theme has tripled at his

establishments. The brothel mogul attributes this increase to the enormous popularity of films like Batman vs. Superman: Dawn of Justice and the numerous successful titles that comprise the Marvel Cinematic Universe.

"The requests for superhero sex parties started to really increase during the summer of 2012, shortly after the release of the first Avengers film," Hof said. "Now my

girls and their clients have practically turned the Bunny Ranch into a crime-fighting headquarters bent on saving the world from chastity."

"It seems like nearly every day I see yet another bunny dressed as Wonder Woman walking her lassoed, half-naked supervillain down the hallway, ready to take him to her room for 'questioning'," said Hof.

Mia Malkova, Lexi Belle, & Others File Claims Over Unpaid Wages by Jay Stern's Company

Adult superstars Mia Malkova, Lexi Belle, Tasha Reign and six other performers represented by LA Direct Models have filed claims with the California Labor Commission over unpaid wages initially totaling \$8,775.00 against Jorge Sanchez, also known as Jay Stern, and his company Modern Apple Entertainment – though with California Labor Code penalties reaching up to 30 times the unpaid wages for failure to pay on time, the claims could total more than \$294,810.00.

According to the complaints, Modern Apple Entertainment, which also operates as Ruined Panties and Gamerette Gazette Quarterly, failed to pay modeling fees, travel expenses, and booking fees for scenes shot in November and December 2015.

ADVICE

FIVE

Ways to Give Your Girl an Orgasm

The ultimate goal of every sexual relationship is to experience that level of intense physical and emotional sensation at the peak of your back arching, body touching and tongue talking act. However, studies have shown that approximately 95 percent of women who do not experience orgasm can actually do so, but with some help. The list that follows while not limited to; are some ways in which a man can help his woman reach an orgasm.

2. Clitoral stimulation

Locate the clitoris and gentle stroke it. This will boost the stimulation. It can be done, either before, during, or after intercourse. It is a known fact that most of the orgasms that women have are clitoral. Therefore, her man should not deny her of such a glory moment.

ADVICE

FIVE

Ways to Give Your Girl an Orgasm

1. Help her to relax

Getting your partner in a comfortable position and mind at ease is a great way in aiding the process. While in a relaxed position increase the level of foreplay and have her actively involved in the process. This can add more fun and heightens the level of anticipation.

4. Learn to communicate effectively

For decades topical medications have been used successfully to desensitize the penis and delay the onset of ejaculation. However, it is recommended that sprays and creams to numb the penis must not be over used; as this can cause a loss of feeling.

A high-contrast, artistic photograph of a woman from behind. She is wearing dark, worn-in jeans. A hand is placed on her right hip. She has long, dark, curly hair. On her left shoulder, there is a tattoo of a brain. She is wearing a beaded bracelet on her left wrist and a patterned bandana on her right wrist. The background is dark and moody.

ADVICE

FIVE

Ways to Give Your Girl an Orgasm

3. Make use of the power of touch

Locate the forgotten areas of the body and gentle move along and in circles until every nerve is felt. One of the most glorious and satisfying moments of a man is to observe his woman in all her groaning, moaning, back-arching, knee-bending, sheet-grabbing and body-slapping splendor.

WorldMags.net

FIVE

Ways to Give Your Girl an Orgasm

5. Sexual Positions

Sexual exploration can be great fun; it keeps the spark in the relationship and the possibility of a longer lasting union. Couples trying different sexual positions can help the female partner achieving an orgasm. The man should take the time out to understand the female anatomy and which position is more likely to achieve the desired result. While there is not much style to the missionary position, studies have shown that women achieve the most orgasm from that traditional position. A great percent of women have argued that of all the positions, the missionary provides the greatest level of closeness and intimacy coupled with the weight of their partners on them. The key to this position is to know how to enter the woman. To have your woman getting an orgasm, it is recommended that he goes in diagonally rather than straight way in and out. This entrance provides more friction and hence greater clitoral stimulation which is needed for an orgasm.

A photograph of a woman from behind, wearing white lace underwear. Her hands are placed on her hips. She is lying on a white sheet. The background is a plain, light-colored wall.

Although it is the wish for many, not all individuals are able to experience that unrestrained excitement. In fact, it has caused great levels of unease in some relationships. However, with much care, knowledge and understanding from the male partner one can ensure sexual satisfaction is achieved.

Sexual Dressing

Sex appeal and perception are two major factors that will determine the extent to which a man is sexual drawn to his partner. Therefore, dressing provocatively can help to achieve that level of desire.

Just imagine a man comes home every day to find his lover in the same old boring outfit? They are always covering all areas of the body and even when retiring to bed. This can pose a great turn off for the individual who likes to see erogenous zones. To add some fun and sexual torturing in the relationship, dress to

give that sex appeal.

- Learn to tease your mate sexually by wearing short skimpy outfits around the house, especially if the children are not there or other members of the family.
- Make love with your heels on, some partners are wowed by the height and the shape of being in that elevated position.
- Wear underwear's that have only waist and foot. This kind of clothing will send chills all over the body and having him ready to explore the "garden of pleasure."

- Wear your "birthday suit" - not having any clothes on, even makes it greater for him as this is easier access. Once the children are not around, run around the room and have him chasing you. It adds to the excitement and the joy couples can have by just looking at the naked body.

The lesson here is, whatever allows sexual arousal, be it a rose on the underwear or no underwear on, try it. This can be the real source of happiness in your spouse's life.

Lolly: Working in the adult Industry is definitely an experience that never gets dull, especially when there are new performers joining every day, which gives you more people that you get to meet and work with.

SINFUL: How did you get your start into the porn world?

Lolly: I got started in the industry by an agent who spotted me on a non adult model website that referred me to the business.

SINFUL: Love the tattoos, hhhhhot, how long did they take?

Lolly: Thank you. My first arm took about a year and 6 months, and the second arm only took 6 months.

SINFUL: Care to explain what they are and the meaning of your tattoos?

Lolly: My first arm is actually a very similar timeline of my life growing up in my teen years. It's more traditional style. I have a pinup girl who symbolizes me at 19 when I first started dancing at an exotic club. I also got little things throughout my arm such as numbers which represent my birthdays and the word believe which is something that I always did growing up, which was believed in my dreams. My second arm is done in Japanese Tradition. I have a Geisha girl and a coy fish which means good luck in Japanese, and I also have the symbol which represents beauty in Japanese on my arm.

SINFUL: When and how did you lose your virginity?

Lolly: At age 16 at a party with a guy I had been dating for a few months who was 19 at the time.

Lolly: 34 DDD.

SINFUL: You have an insane body, the gorgeous face, what do you get the most compliments on?

Lolly: To be honest I never really got too many compliments and especially in the industry. I would always get the comment of I look like a tattooed Barbie which I imagine that was a compliment because who doesn't like Barbie (smiles), but I do take good care of my skin which is very important to me as well as my body with working out 3 times a week with either Pilates, dance, or some kind of cardio.

SINFUL: You're a sexy woman who I'm sure gets away with quite a bit, what are some of the things you got away with using that sexiness?

Lolly: I have never done a group scene and always thought it would be fun to do like a swinger scene with another couple. I definitely think that would be hot.

SINFUL: Kinkiest place you've had sex outside of the film world?

Lolly: In a doctor's office. I thought those kinds of things only happened on TV, but I was wrong (smiles).

SINFUL: What's a sexual fantasy you have yet to fulfil?

Lolly: I love water, so I definitely would love to fulfil hot steamy shower sex.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Lolly: Ryan Reynolds, no doubt about that one. With the body he has, I'd be turned on instantly.

SINFUL: For any person reading this who hasn't seen you perform, what's one scene they gotta watch?

Lolly: The threesome I did in 'Inked Angels' directed by Kevin Moore with Evil Angel.

SINFUL: What gets you wet?

Lolly: My neck being kissed for sure. Or even my leg being rubbed.

SINFUL: What's your favorite sexual position?

Lolly: I'd have to go with doggie. It's always been a favorite of mine because a guy can go pretty deep inside me that way.

SINFUL: You're about to shoot your first fuck scene, what was it like, the feelings, the nerves?

Lolly: My first scene I'll never forget like most. I remember being so scared getting on the plane to Las Vegas to shoot with Brazzers and arriving to the studio where I was in the room next to the dressing room and I saw Lisa Anne walk by and was totally in shock to see how beautiful she was in real person. When it was my turn to go into the room I had forgotten about how nervous I was until the male talent came in and I started to tremble, but he grabbed my hand and told me that everything was going to be ok and that I was going to do a good job because he was there, which of course was true and my first scene turned out great.

SINFUL: Do you ever sit back and watch your own scenes?

Lolly: No I actually don't watch my scenes. I think in the very beginning I watched my first 2 and then after that it made me feel weird (laughs).

SINFUL: Tell our readers about any releases you have coming up?

Lolly: I recently did a Parody for Burning Angel which was awesome, it has both comedy and horror mixed into the scene, it's called 'Moms Of Anarchy'.

Lolly: I'm silly and love to silly things. I'm a toys r us kids, which means I love playing with sex toys although I've never webcammed before. And the third thing fans might not know about me is I'm Russian.

SINFUL: Do you watch porn, if yes what's your favorite type?

Lolly: I rarely watch porn, but if I do I like euro porn the best, because they have more of the kinky niches.

SINFUL: A guy is about to cum, where do you want it to land?

Lolly: My chest because I like to see it, but also feel it (smiles).

SINFUL: What's the best chemistry you've had on screen, where the guy made you cum hard?

Lolly: It was a scene from 'The ScoreGroup' with a performer named JMac. The setting was just perfect to my liking and also I loved the scenario and the role I got to play, which made it so much easier for me to really get into it.

SINFUL: What is the weirdest thing that ever happened to you on set?

Lolly: I actually haven't had any weird things happen yet on set before but who knows that day might come (laughs).

Sarah was working late but she didn't mind too much; the work was tedious but it was better than being at home with her husband Sean. She'd been feeling restless lately and being around him made the feeling worse. She needed someone new to bring excitement into her life, but she was stuck with him. Sarah threw her pen down and leaned back in her chair as she tried to shake the feeling. She could see David at the other end of the room hunched over a pile of papers and wondered if he was as bored as she was. She wondered if he had anyone waiting for him at home and realized she didn't know if he was single or not. He probably wasn't. He was in good shape and good looking; he was the sort of man she'd go for.

The thought of having sex slipped into her mind and she imagined it for a minute as a dull throbbing started in her pussy. It got worse until

she couldn't take it anymore and decided to do something about it.

Sarah undid the first few buttons of her blouse, ran her fingers through her hair and touched up her lipstick before going over to David. She sat on the edge of his desk and leaned forward, her blouse falling open. David's eyes went straight to her breasts and she said in a little sexy voice that she was dying to fuck someone. He was shocked, but saw the look of excitement in her eyes and liked the idea of her being so bold. He felt his dick begin to stir as she straightened up, her fingers pulling up the hem of her skirt. "You up for it?" she asked teasingly and he knew he couldn't turn her down. "You sure?" he asked his throat dry and with no intention of letting her change her mind as he slid his hands up her bare legs.

A woman is shown from the waist down, wearing a black, form-fitting skirt and a red top. She is standing in a kitchen, with her right hand resting on a dark countertop. On the counter, there is a silver coffee maker and a large silver thermal carafe. In the background, there are some red objects, possibly napkins or containers. The overall scene is dimly lit, with the focus on the woman and the kitchen appliances.

LATE AT THE OFFICE

He stood up as his hand brushed over her pussy, going to the waistband of her panties. Sarah leaned back on her hands as she lifted her ass up, making it easier for David to slide her panties off. They fell to her ankles and she kicked them off as he pushed her legs open. She held them around his waist as he undid his trousers and took his dick out, pumping it a few times in his fist before Sarah laid back. He could see a wetness between her lips and began pushing into her, making her groan. She felt warm and tight around him as he went in deeper and he leaned over her as he began fucking her. Sarah felt her ass tugging on the smooth wooden table under her as she moved with him. The throbbing turned into an ache as she begged him not to stop and he rammed into her

again and again. She could feel her juices dripping down her crack as her legs slipped on him, no longer able to control herself. Her pussy squeezed around his dick as she let out a cry, her orgasm taking her by surprise. David watched as her back arched and began thrusting harder. She felt so tight on him and it only took a few more thrusts before he was cumming in her.

David pulled out of her and Sarah felt cum begin to leak out of her as she climbed off the table. A thin wet streak was left on the table as she fixed her skirt and began buttoning up her blouse. "Well, I guess we better get back to work," she said with a smile. She was feeling much better now and was more than ready to tackle her report.

BIRDS AND THE BEES

A mother is in the kitchen making dinner for her family when her daughter walks in. "Mother, where do babies come from?" The mother thinks for a few seconds and says, "Well dear, Mommy and Daddy fall in love and get married. One night they go into their bedroom, they kiss and hug, and have sex."

The daughter looks puzzled so the mother continues, "That means the daddy puts his penis in the mommy's vagina. That's how you get a baby, honey." The child seems to comprehend. "Oh, I see, but the other night when I came into your room you had daddy's penis in your mouth. What do you get when you do that?" "Jewelry, my dear. Jewelry."

PRISON and the PRISONER

A bride tells her husband, "Honey, you know I'm a virgin and I don't know anything about sex. Can you explain it to me first?" "Okay, sweetheart. Putting it simply, we will call your private place 'the prison' and call my private thing 'the prisoner'. So what we do is put the prisoner in the prison." And they made love for the first time and the husband was smiling with satisfaction. Nudging him,

his bride giggles, "Honey the prisoner seems to have escaped." Turning on his side, he smiles and says, "Then we will have to re-imprison him." After the second time, the bride says, "Honey, the prisoner is out again!" The husband rises to the occasion and they made love again. The bride again says, "Honey, the prisoner escaped again," to which the husband yelled, "Hey, it's not a life sentence!!!"

THE WEIGHT LOSS PLAN

There is an overweight guy who is watching TV. A commercial comes on for a guaranteed weight loss of 10 pounds in a week. So the guy, thinking what the hell, signs up for it.

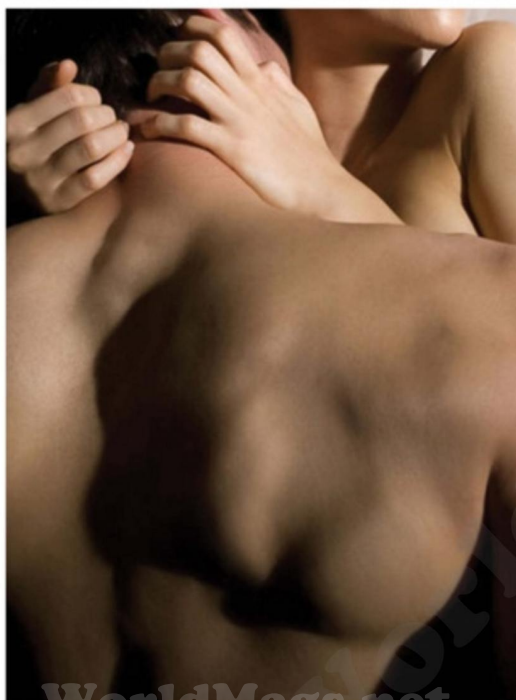

Next morning an incredibly beautiful woman is standing at his door in nothing but a pair of running shoes and a sign about her neck that reads, "If you can catch me, you can have me." As soon as he sees her, she takes off running. He tries to catch her, but is unable. This continues for a week, at the end of which, the man has lost 10 pounds.

After this he tries the next weight loss plan, 15 pounds in a week. The next morning an even more beautiful woman is standing at the door, in similar conditions. The same happens with her as the first woman, except he almost catches her. This continues for a week, at the end of which he, as suspected, weighs 15 pounds less.

PREMATURE EJACULATION

A man was having premature ejaculation problems so he went to the doctor. The doctor said, "When you feel like you are getting ready to ejaculate, try startling yourself." That same day the man went to the store and bought himself a starter pistol and ran home to his wife. That night the two were having sex and found themselves in the

69 position. The man felt the urge to ejaculate and fired the starter pistol. The next day he went back to the doctor who asked how it went. The man answered, "Not well. When I fired the pistol, my wife pooped on my face, bit three inches off my penis, and my neighbor came out of the closet with his hands in the air."

Excited about this success, he decides to do the master program. Before he signs up, he is required to sign a waiver and is warned about the intensity of this plan. Still he signs up. The next morning, waiting at the door, is a hulking 300 pound muscle man with nothing but a pair of running shoes, a raging erection, and a sign around his neck that says, "If I catch you, you're mine!" The man was supposed to lose 25 pounds in the week; he lost 34.
